### FOCUS ON CAIRNS

You've probably all been wondering who is the winner of the Ultimate Long Weekend and Lifestyle Package in Cairns.

Hairstylists (his and hers style and treatment), Villa Romana, Red Ochre Grill and Monsoons (dinner for each night of their stay) and Active Health Clubs (3-mth his and hers membership)...just quietly, I think

Well, without further ado, we are happy to announce that the winner, and the lucky couple spending their Cairns long weekend in absolute luxury, are Bernadette and Glenn Bailey of Gordonvale.

We would like to thank all those who eagerly emailed their entries from not only Cairns, but throughout Queensland!

Bernadette and Glenn will be spending their long weekend in Cairns thanks to the Pacific International (3-night stay with full buffet breakfast each morning), City Florist (beautiful arrangement of roses awaiting them in their room),

Ella Bache Cairns (his and hers massage and facial), Craig Roberts

they'll need it after all that pampering!

With a teething baby, Bernadette and Glenn have been experiencing the joys of staying home with a cranky baby quite a lot of late, so I'm sure they will need no encouragement when it comes to taking absolute advantage of all that is available to them for their long weekend in January! Have a fantastic time guys, and don't forget to email us (and rub it in) about the time you had!

For all those who weren't lucky this time, don't despair...there will be another Ultimate Long Weekend and Lifestyle Package up for grabs in the New Year, in conjunction with the launch of *A-List*™ in Mackay!

### MODERN AUSTRALIAN CUISINE

When the owner of Red Ochre told one regular client that they were closing for renovations, the client asked "why?". In the client's opinion Red Ochre was perfect.

The Red Ochre has been well received since it opened its doors in Sheridan Street in 1992...and not just because it was the first Cairns restaurant to serve water! The colours, modern furnishings, together with the fabulous food and great service, quickly installed Red Ochre as a favourite with Cairns' locals and visitors alike.

Now, after ten years of devoted service, the owners felt that Cairns' diners, ready or not, deserved a change. The brief to the Architects was to update the restaurant, but not to lose the warmth or the character of the outback...no-one wanted Red Ochre to become another noisy, modern bistro.

The ten year refurbishment of Red Ochre puts the restaurant firmly back ahead of the pack and ensures it will remain a favourite with Cairns' diners for at least another ten years!

The Shields Street entrance, with its red gum feature ceiling, invites diners into the dining journey that is Red Ochre...have you sampled the Red Ochre experience?
