

A-List Newsletter

SEPTEMBER / OCTOBER NEWSLETTER

The trick with this Newsletter will be keeping it short and to the point!

How much can happen in one or two months you might think....

Well let me tell you heaps can, and it's all good too !!

Firstly, Cairns *A-List*™ is now on-line with some twenty-five businesses committing before the launch has even taken place!

We have also increased the footprint of our fuel savings with Trinity Petroleum completing the loop between Townsville and the Cairns regions.... Thanks again to Dean and the team at Trinity.. a little more on this later too.

TRINITY PETROLEUM

Mobil Distributors
Far North Queensland

We have a whole host of new offerings within the Townsville Market ... with some very special bonuses, not least being a free wheel alignment (Normally anything up to \$60.00 if you have a 4x4 like me!) from John and his team at John Barr Tyre Centres....

JoAnn in Mackay has been kicking some major goals.... Rather than early 2005 as a product launch date, we will probably have Mackay up and happening by the end of October this year Great Work JoAnn !!

Steve Walters, another Tasmanian that has made his home away from the "Apple Aisle," is sourcing suitable member suppliers in the Perth Market Place! This too might happen prior to the end of this calendar year!

By the way... If you have any business contacts within the Mackay, Gold Coast, Brisbane, Sunshine Coast or Perth Market Places, please send me a quick email and I will assure you that these business people will be approached correctly and given the opportunity to consider the *A-List*™ programme for their business!

THE LAUNCH OF CAIRNS *A-List*™

I am not going to list each and every business on line.... That's what the site is all about after all... BUT if you are in Townsville and looking to go north for a break in the near future... We have a number of accommodation houses and restaurants that will make your trip most enjoyable. From a great place to stay that is cheaper for the family you may consider contacting Claudette at the Rainbow Inn, or if you are doing it up to the nines.... Perhaps the Pacific International (usually \$240 per night and now \$150 !!) may be more your speed!

With great beauty offers

from Ella Bache', product and style offers from Craig Roberts Hair Stylists... a pay for six month and get six months free GYM MEMBERSHIP from ACTIVE HEALTH CLUBS... get onto the site now and check out what else is going on!

OUR VALUABLE FUEL PARTNERSHIPS

Mobil Fuel (Trinity Petroleum) for both travelers from down south, and the Cairns locals... is now available at a discounted price... with a zero dollar spend at the grocery shop I should add! We appreciate that this offer ties nicely with the offer extended by Malpass in Townsville as well!

I just want to go on with this a minute and point out that as our fuel is currently suffering from a lazy Aus. Dollar, and couple this with all the terrorism going on, I really think we should get right behind the guys at MALPASS PETROLEUM in (Townsville) and TRINITY PETROLEUM in (Cairns) for making this opportunity available to us all! I am sure I am not alone in thanking them for this offer!!

Sooooo...Whilst there, buy some milk and bread or something like that... you were only going to buy it from the supermarket anyway (where items like that are hardly ever cheaper anyway)..... OH before I forget, something's that even I noticed... 20Kg dog food (I am a dog freak... I will even attach a small photo of my hound so that you understand) is heaps cheaper, so is soap powder and pool salt Now who would have thought that!

A-List™ **COMPETITION SEPTEMBER AND OCTOBER**

A-List Newsletter

John Barr Tyres, whilst committing a few months earlier, have put a sensational offer on the table.... Who doesn't want a free wheel alignment when tyre costs always seem to be directly proportional to the price of oil (funny that, I suppose there is a fair bit of oil in them when you think about it!)

Amcal North Ward, near Bi Lo has provided all *A-List*™ members with a number of fabulous offers....

YOU SHOULD KNOW that there is a new manager at Yots on the Strand.... Anne Maree is adding to the great menu by ensuring that the service is second to none.....

Have you dined at Palmer Street recently.... We all know that Fraser and the team at Bistro One are doing a great job... so you MUST use your card their... But... I bet you haven't tried Barzu.... Your loss!! (Book with Polly ASAP or I will grab your seat!)

When booking any table, please ensure that you remind the receptionist that you are an *A-List*™ member.

OTHER THINGS

A good Newsletter is a short Newsletter, but I do want to add that over the coming months we will be adding a little more to the site... some businesses would like to extend different offers... more often.... We can now furnish these businesses with the opportunity to use our Voucher Stream™ that will allow all cardholders to simply print off a voucher if the deal is what you are after!

Don't forget to keep viewing the site for further details on offers available!

Kind Regards,
