

*A-List™
Webazine*

Welcome to our October / November *A-List™* Webazine™

Our Webazine™ is now starting to take some focus... and particularly with new regions coming onto line over the next few months, we decided that the formatting of our old newsletter could really do with a re-visit. Now using the benefit of web streamed newsletters including specials and new offerings we can occasionally take you into areas that you would not otherwise realise are going on in the background, and benefit before the item is launched!

A-List™ is growing, Mackay is very soon to be on board, with some of the best offerings within that market place, great restaurants, retail, health and beauty and all the other benefits you are beginning to recognise *A-List™* for.

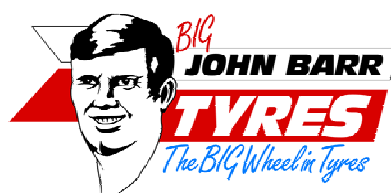

With Brisbane will only be a matter of weeks away, and The Whitsunday's region looking to be an area that will be well represented over the next three or four months also, you had better stay in touch, sit back and take three minutes respite so that you can plan your next time away... night out, or retail purchase!

Quick Tip... *A-List™* member vouchers will soon be available, so stay tuned to the site to get even more from your *A-List™* card!

FOCUS ON TOWNSVILLE

We have quite a few new supplier members who have joined *A-List™* during the past few weeks, and these offers will be available on the web site for all to check out in the next week or so...just in time for Christmas! Adding to this, we have also recently updated offers from our long-standing, and highly supportive, supplier members...so to get the most out of your membership, check out the website regularly, or you may miss out! I hope everyone has been able to check out the offers from some of September's newest arrivals...and if not, click on the logos below to view their offers!

I hope everyone has been able to check out the offers from some of September's newest arrivals...and if not, here are just a couple of those which you should make sure you visit the site to check out!

The sun's rays are harmful to the skin. Melanin, the natural pigment in the skin, gives some protection from these damaging rays, but for most people it is not enough. UVB rays cause sunburn and also affect the DNA in the skin which can cause skin cancer. UVA rays damage the skin causing wrinkling, sagging and premature ageing and may also have a role in causing skin cancer.

A-List™ Webazine

FOCUS ON CAIRNS

With the Ultimate Long-Weekend Lifestyle Package about to be drawn, this could be your last chance to enter! Simply log onto www.a-list.com.au, click on the "Competition" icon which appears on the home page, and follow the links to complete your entry. Just imagine...the long weekend spent at the stunning Pacific International including full buffet breakfast each morning, gorgeous roses awaiting your arrival from City Florist, sumptuous meals at Villa Romana, Red Ochre Grill and Monsoons, pampering from Craig Roberts Hair Stylists and Ella Bache Cairns...and 3-months to work it all off at Active Health Clubs! Remember, you've got to enter to be eligible...and one lucky couple will be drawn this month!

As well as the competition, don't forget to check out the regular offers from our fantastic contributors of this competition, shown to the right. Each of these Cairns businesses is featured on the website, so check them out now to see what you can take advantage of right now!

FOCUS ON MACKAY

Well, here we go with my very first correspondence from the Mackay desk!! Lets see...

The Mackay and Whitsunday region has a great deal of switched on businesses leaders who are really embracing the A-List™ concept. What an exciting opportunity for me to introduce such a professional and needed product into an area where the market is looking to provide excellent and on-going commitment to their loyal customers!

Mackay A-List™ is now gaining momentum with some quality businesses moving forward with us to launch! You can view a sample of some of the businesses' logos on the bottom of the Mackay page. The offers won't be too far away, real estate, gym memberships, superb restaurants, bars/clubs, automotive, computers, toys... so hang in there!

Also, looking forward to your next weekend escape? The Airlie Beach region is now being opened up, so keep watching for some fabulous accommodation, reef experiences and dining offers in the near future!

Thanks for taking some time out to read about Mackay A-List™...I had better keep moving so I can secure you all the best possible A-List™ offers here in sunny Central Queensland.

FOCUS ON BRISBANE

With Brisbane due to go officially online late November, we are pleased to announce that *A-List*™ card holders will enjoy discounted fuel (4c per litre, plus \$20 worth of free fuel) via participating Mobil Car Care centres, discounted movie tickets via Reading Cinemas as well as a carefully selected choice of leading restaurants and cafés, ideally located in the CBD and Caxton Street Restaurant Precincts, plus a whole lot more.

Toowoomba, Sunshine Coast and The Gold Coast including - Northern NSW are to come online in during early 2005, so look out for an exciting South East Queensland experience!

Romayne's Massage Hints

Benefits of Massage

Massage and related bodywork techniques can release muscle tension, improve circulation, increase joint flexibility and reduce mental and physical fatigue. It aids digestion, speeding up the elimination of toxins by stimulating the lymphatic system. In addition, massage is among the most effective means available to combat stress.

Before you massage

Don't eat any large or heavy meals, or foods containing sugar, caffeine or other stimulants.

After your massage

You need to drink extra water for the next 24 hours to help flush the toxins, released by your session. Restore your healthy glow and replenish your spirit with a massage or spa treatment at Romayne's massage and spa today.

MEMBER NOTES

Coming into that busy time of the year again, please be reminded that this is probably the best time to be rewarding your best and most loyal clients..unfortunately that token bottle of bubbly..whilst most enjoyable - (don't get me wrong, and please see address below for deliveries..) is not long remembered after consumption. After all, it's not like we soak off the label and carry it around to remember those that remembered us! Those clients who have been remembered by you at Christmas and are in receipt of an *A-List*™ card are going to carry a little memory of the gift with them for at least the next 365 days..not to mention every time they put fuel in their car, go out for dinner, etc etc. The gift that keeps on giving..sorry, that was a little corny, however true! It's also a time to consider *your* offer to all *A-List*™ members and of course, ensure that your staff are aware of your offer at all times, and of how to process this at point of sale. If there are any seasonal specials you would like to submit for members to take advantage of as gifts or treats, please let us know.

If you have visited the website lately, you may have noticed that we are in the midst of developing a new site which will be launched in January 2005. Being a database driven site, this will ensure that all navigation, upload and search criteria are catered to, and seamless use of the site by all members is top priority. During the next two months, please do bare with us whilst this process is taking place, and all information pertaining to members, offers, specialty vouchers, competitions etc, spanning all *A-List*™ regions, are updated and merged onto our new site for your convenience. We are confident that the new ideas and development put forward by *A-List's*™ new site architect, Dreeme Design, will impress all current, and future, *A-List*™ members.

Specialty vouchers are currently in production for the Townsville and Cairns regions, with these offers available to all members via the website very soon. We'll keep you posted with links as soon as available! If supplier members would like to find out more regarding this networking opportunity, please contact your local *A-List*™ office for further details.

Have an *A-List*™ month.....

Geoff, Louise, Joann, Malcolm, Jackie and the rest of the team here at *A-List*™ !!!
